Grand Total		17,090	15,047	5,354	5,257	3,165	625	75	527	44	21	2

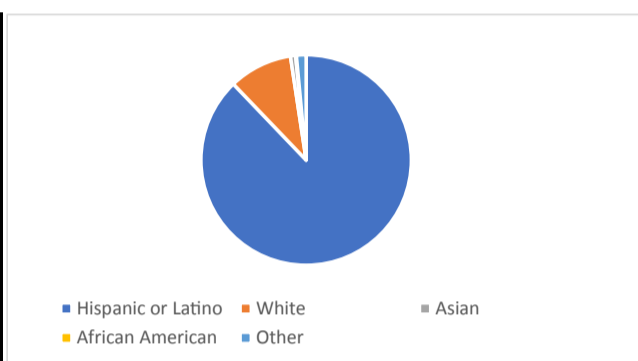

* During the initial stages of early vaccination restrictions (Jan - May 2021) when a second dose is refused, this dose is administered as an adjusted Initial dose to a person belonging in one of the prioritized Tiers as per CA State guidelines for COVID-19 vaccination.
** Ghost Dose - One Moderna vial only yielded 9 doses instead of 10, leading to 1 Ghost Dose.

San Benito health Foundation is committed to provide COVID-19 vaccination to the members of the community in a safe, efficient and quality manner. The organization has a capacity of administering 600-800 plus vaccines per week. Without a steady supply of vaccines, opportunity is lost for 2500-3200 vaccinations per month.
