

NATIONAL ASSOCIATION OF COMMUNITY

HEALTH CENTERS

CONFERENCE IN WASHINGTON D.C

MARCH 19-23, 2013

ADVOCATING FOR THE SAN BENITO HEALTH FOUNDATION

Angelica, BS (c), WNA II and honorable congressman Sam Farr in the State Capital of Washington D.C

MAIN POINTS DISCUSSED

- ▶ Oppose any cuts to Medicaid, including Per Capita Caps, and block grants.
- ▶ We asked to support providing access to federal healthcare benefits as part of any broad immigration reform measure.
- ▶ Support the California WIC Association's bill on Baby Friendly Hospitals, a groundbreaking bill sponsored by the CWA that would require all California prenatal hospitals to become Baby Friendly by 2020, or adopt an equivalent process recognized by the California Dept. of Public Health.
- ▶ Advocated for the San Benito Health Foundation

Statue of Lady Liberty in the State Capital of Washington D.C

ADVOCACY

“Advocated for our priority population the Migrant Farmworkers and the underserved populations of our community.”

Main Points Discussed Continued

- ▶ The community's challenges and needs
- ▶ The value of having a community health center such as the San Benito Health Foundation
- ▶ Asked congress for continuous support
- ▶ The meeting was effective and successful!
