“Feeding the Frontline: National Health Center Week Event”

A Food Distribution Event to Support San Benito County Families During These Challenging Times

HOLLISTER, CA.

JULY 21, 2022

On Wednesday, August 9th, 2023, from 3:00 pm to 6:00 pm, the San Benito Health Foundation will be hosting a “Feeding the Frontline” drive-through event at its location, 351 Felice Drive, in Hollister, CA.

The “Feeding the Frontline: National Health Center Week Event” is an initiative of the San Benito Health Foundation to celebrate the 2023 National Health Center Week. National Health Center Week is a decades-old, annual celebration recognizing the innovative, quality care provided by Community Health Centers nationwide. Congress has partnered with health centers for over 50 years. This year’s theme: *“Community Health Centers: The Roadmap for a Stronger America”* highlights Community Health Centers' essential role in our state and local communities – in providing access to care for our neighbors, creating good jobs, and generating revenue.

SBHF wants to support our local Latino families and agricultural industry workers and all families who may be in need around San Benito County during these challenging times. We plan to serve 800 people at this Food Distribution Drive Thru event. San Benito Health Foundation is dedicated to continuing the expansion in health and social services for this underserved population.

Partnering with local organizations and businesses that honor the same vision as the San Benito Health Foundation, helps make it possible to reach our goal of supporting families within the community. These partners include Community Foodbank of San Benito County, El Teatro Campesino, Hollister Super, Martha’s Kitchen, and the Rotary Club of San Juan Bautista.

The San Benito Health Foundation is a Community Health Center providing Medical, Dental, Vision, Behavioral Health, and WIC services for underserved populations in San Benito County and surrounding areas since 1975. Our facility is located at 351 Felice Drive, Hollister CA 95023.
